	)	<b><u>REPORT AND RECOMMENDATION</u></b>
	)	
Jeffrey Taylor and South	)	
Carolina Department of	)	
Corrections,	)	
	)	
Defendants.	)	

The Report and Recommendation filed herein on October 31, 2006, is amended to reflect that the defendant, South Carolina Department of Corrections withdrew its Motion to Dismiss and Alternative Motion for Summary Judgment on October 30, 2006, (Docket # 31). Accordingly the report and Recommendation filed on October 31, 2006, is limited to the Motion to Dismiss of Defendant Taylor (Docket # 23) filed August 21, 2006.

**CONCLUSION**

Accordingly, for the aforementioned reasons and the reasons set forth in the Report and Recommendation of October 31, 2006, it is recommended that the defendant Taylor's dispositive motion be denied.

Respectfully Submitted,

  
Robert S. Carr  
United States Magistrate Judge

Charleston, South Carolina

November 1, 2006

Notice of Right to File Objections to Magistrate Judge's "Report and Recommendation"  
&

The ***Serious Consequences*** of a Failure to Do So

The parties are hereby notified that any objections to the attached Report and Recommendation (or Order and Recommendation) must be filed within **ten (10) days** of the date of its filing. 28 U.S.C. § 636 and Fed. R. Civ. P. 72(b). The time calculation of this ten-day period excludes weekends and holidays and provides for an additional three days for filing by mail. Fed. R. Civ. P. 6. Based thereon, this Report and Recommendation, any objections thereto, and the case file will be **delivered to a United States District Judge** fourteen (14) days after this Report and Recommendation is filed. Advance Coating Technology, Inc. v. LEP Chemical, Ltd., 142 F.R.D. 91, 94 & n. 3, 1992 U.S. Dist. LEXIS® 6243 (S.D.N.Y. 1992). A magistrate judge makes only a recommendation, and the authority to make a final determination in this case rests with the United States District Judge. See Mathews v. Weber, 423 U.S. 261, 270-271 (1976); and Estrada v. Witkowski, 816 F. Supp. 408, 410, 1993 U.S. Dist. LEXIS® 3411 (D.S.C. 1993).

During the ten-day period, but not thereafter, a party must file with the Clerk of Court specific, written objections to the Report and Recommendation, if he or she wishes the United States District Judge to consider any objections. **Any written objections must specifically identify the portions of the Report and Recommendation to which objections are made and the basis for such objections.** See Keeler v. Pea, 782 F. Supp. 42, 43-44, 1992 U.S. Dist. LEXIS® 8250 (D.S.C. 1992); and Oliverson v. West Valley City, 875 F. Supp. 1465, 1467, 1995 U.S. Dist. LEXIS® 776 (D.Utah 1995). Failure to file specific, written objections shall constitute a waiver of a party's right to further judicial review, including appellate review, if the recommendation is accepted by the United States District Judge. See United States v. Schronce, 727 F.2d 91, 94 & n. 4 (4th Cir.), *cert. denied*, Schronce v. United States, 467 U.S. 1208 (1984); and Wright v. Collins, 766 F.2d 841, 845-847 & nn. 1-3 (4th Cir. 1985). Moreover, if a party files specific objections to a portion of a magistrate judge's Report and Recommendation, but does not file specific objections to other portions of the Report and Recommendation, that party waives appellate review of the portions of the magistrate judge's Report and Recommendation to which he or she did not object. In other words, a party's failure to object to one issue in a magistrate judge's Report and Recommendation precludes that party from subsequently raising that issue on appeal, even if objections are filed on other issues. Howard v. Secretary of HHS, 932 F.2d 505, 508-509, 1991 U.S. App. LEXIS® 8487 (6th Cir. 1991). See also Praylow v. Martin, 761 F.2d 179, 180 n. 1 (4th Cir.) (party precluded from raising on appeal factual issue to which it did not object in the district court), *cert. denied*, 474 U.S. 1009 (1985). In Howard, *supra*, the Court stated that general, non-specific objections are *not* sufficient:

A general objection to the entirety of the [magistrate judge's] report has the same effects as would a failure to object. The district court's attention is not focused on any specific issues for review, thereby making the initial reference to the [magistrate judge] useless. \* \* \* This duplication of time and effort wastes judicial resources rather than saving them, and runs contrary to the purposes of the Magistrates Act. \* \* \* We would hardly countenance an appellant's brief simply objecting to the district court's determination without explaining the source of the error.

Accord Lockert v. Faulkner, 843 F.2d 1015, 1017-1019 (7th Cir. 1988), where the Court held that the appellant, who proceeded *pro se* in the district court, was barred from raising issues on appeal that he did not specifically raise in his objections to the district court:

Just as a complaint stating only 'I complain' states no claim, an objection stating only 'I object' preserves no issue for review. \* \* \* A district judge should not have to guess what arguments an objecting party depends on when reviewing a [magistrate judge's] report.

See also Branch v. Martin, 886 F.2d 1043, 1046, 1989 U.S. App. LEXIS® 15,084 (8th Cir. 1989) ("no de novo review if objections are untimely or general"), which involved a *pro se* litigant; and Goney v. Clark, 749 F.2d 5, 7 n. 1 (3rd Cir. 1984) ("plaintiff's objections lacked the specificity to trigger *de novo* review"). **This notice, hereby, apprises the parties of the consequences of a failure to file specific, written objections.** See Wright v. Collins, *supra*; and Small v. Secretary of HHS, 892 F.2d 15, 16, 1989 U.S. App. LEXIS® 19,302 (2nd Cir. 1989). Filing by mail pursuant to Fed. R. Civ. P. 5 may be accomplished by mailing objections addressed as follows:
